NOTICE

Dear Parents

My cordial greetings to everyone !!

"When everything seems like it's falling apart, that's when God is putting things together just the way He wants it." With the present condition still grim, we continue to battle against this deadly virus.

During this testing time, online classes came to our rescue to bridge the education gap. It offered an altogether new experience to all of us. We teachers, as facilitators, along with our students did learn, relearn and unlearn the various aspects of life.

We appreciate your support and cooperation, for helping us take up our online classes successfully and effectively. **The school shall close for summer vacation for classes VI to XII from 17 May to 17 June 2020.** However, students may appear online exams and also participate in some online competitions and activities. Information regarding the same will be sent to them on their respective class WhatsApp groups.

Let's hope, this difficult time shall pass shortly. Once again, our children shall smile and walk hand in hand to school. Once again our corridors and classrooms shall be filled with joy and laughter of our young hearts.

"The darkest nights produce the brightest stars."
Wishing brighter and fun filled days for our children ...

Stay homeStay safe ..

With regards

Chitra
