Dear Parent,

‘Mens sana in corpore sano’ – a sound mind in a sound body. Keeping this as the premise, various kinds of physical exercise, sports and games are encouraged to promote healthy bodies and sound minds where students become active, sportive, daring and adventurous, capable of meeting challenges in life.

Our vibrant Physical Education Department endeavours to spot the sports talents and provide all necessary facilities to train the students so as to enable them to compete with world champions.

Sure enough, our budding sportsmen have brought laurels to the school with their performance.
