Holidays Homework - 2018- 19

Holidays are the best time of the year,
Time to shout, clap & Cheer!!!
As the holidays have begun,
it's time for us to have some fun.
Enjoy treats in tons and tons,
Jump about and have lots of fun!!!

We got a big break from school,
to enjoy the vacation and stay cool.
Try cool recipes with your grandparents too,
Activities and projects to be done by you!!!

A child's brain is full of creative ideas that can be used to make the most of the spare time that they get in summer holidays. We have compiled some activities that your child will find both enjoyable and rewarding. Spend some quality time with your child and enjoy the below mentioned activities. We seek your indulgence in making the holidays homework come alive for your ward.

Involving In Household Chores

Assign your children a few tasks which they can easily accomplish like filling water bottles, keeping them in the refrigerator, watering the plants, cleaning dishes, folding washed clothes, dusting of their room etc. This is how you can get your young ones get into the habit of helping out around the house. You will set a pattern that will benefit them when they grow up.

Fine Motor Development

1. Mix a handful Rajma, white chana and Lobhia and ask your child to separate it using tweezers.
2. Scribbling, colouring, mashing potatoes, rolling chapattis, clay molding, sand play, bursting bubble paper, tearing and pasting, pegging the clothes, watering plants with spray bottles.
