### ANNUAL REPORT OF DAV MUKHYAMANTRI PUBLIC SCHOOL , PARCHANPAL , BASTAR 22 - 23

The last two year throughout the pandemic all of us have faced challenges that are of us but

DAV Mukhyamantri Public Schools earlier known as Govt. Model Schools was started by the Govt. of Chhattisgarh by signing an agreement or MOU with the managing committee of DAV Institutions. Most of the schools are located in the backward areas of Chhattisgarh. It is the only CBSE, English medium senior secondary school of each Block. The school has been recognized by the Govt. Similarly Model School has been affiliated to CBSE, New Delhi. In the year 2016 Chhattisgarh Govt. join hands with DAV by transferring Model School presently known as DAV Mukhyamantri public school, under PPP mode. The primary choice to handover this institution to DAV CMC was to provide quality education and generating a future reformist. It is run and managed by DAV CMC. Up keeping the motto to provide a better quality education in remote and backward areas to the tribal children DAV is trying it's best everyday so that students can have new learning experience. From 2016 to 2022 the school has achieved a high target from both academic and non academic point of view. DAV Mukhyamantri Public School is doing better day by day in 10<sup>th</sup> and 12<sup>th</sup> Board examination. In 2019-20 Deepanshu Singh and Karan Baghel got the gold medal and silver medal in the athletic meet. Deepanshu also went to Hyderabad to play the National. In this session three players of Kho Kho represented the State Kho Kho Team at the national level. Their names are Silendra Thakur , Yashwant Thakur and Kusumlata Baghel of std. 12<sup>th</sup> . This year also one student named Tanisha Sahu of Class 11<sup>th</sup> participated at the District level INSPIRE AWARD Science Exhibition. Last Year one student of Std.12<sup>th</sup> named Neha Sharma qualified the State level PMT exam and at present is studying in Chandulal Chandrakar Memorial College, Bhilai. Some of the students are also doing B.Pharma also.

To improve the quality of education and to convert the children as a good human being the school under the guidance of DAV management governing bodies members like Honorable DRO sir , ARO Madam Dr. Chetna Sharma along with the support of the Distt. Govt and the State Govt. of Chhattisgarh is implementing new new skills so that it will not only help the teachers but also ultimately the students are going to be the gainers. Looking at the New educational Policy 2020 Capacity building programmes / Workshops are being organized .As we all know that in 2022 the Nation celebrated 75<sup>th</sup> years of Independence as Azadi ka Amrit Mahotsav

Hence a large number of students Participated in the CBSE project Veer Gatha and FIT India Quiz. The School also celebrated National Sports Day ,National Youth Day and National Unity Day and inspired the children to follow the path of Sardar Ballabh bhai patel and Swami Vivekanand.

The last two year throughout the pandemic, all of us have faced challenges. Each one of us have cultivated in ourselves the ability to adapt to an ever-evolving situation, and to find opportunities for growth amid the many changes. The year 2021 and 2022 had some unknowns for us in light of the

pandemic, and we remained understanding and flexible yet determined to move ahead amidst a fluid situation. Paramount to the academic achievement and excellence, our commitment to diversity, equity, learning from each other is equally important. We encourage fostering a community free of intolerance, to be respectful and to be supportive. Always remember, we rise by lifting others.

THANK YOU.
