STRUCTURE STABILITY CERTIFICATE

I, personally inspected DAV Public Senior Secondary school building , Sector-1, Parwanoo, Distt. Solan (Himachal Pradesh) on dated 21.11.2020.

This is Three Story Building and About 11 years old. The existing Building is based upon R.C.C. frame structure ,with brick walls and R.C.C. flat roof partially / pitched roofing with sheet . there are no visible cracks and the structure does not look weak.

I certify that the structure of the building is safe and sound for School purpose.
No structural charges should be done in the complete block structure with the advice & supervision of an Engineer.
