YOUNG CHILDREN AND PICTURE BOOKS

The picture book contribute much more than something to do during a hurried storytime. Ideally, children learn to love literature through joyful encounters with picture books shared with them by enthusiastic adult.

Therefore, in order to cultivate reading habits at an early age, spend some quality time and let's create a small picture book with your child and help him to enjoy the story in the book.

→ Let's contribute one labeled picture book for the class library after vacation.
