MLKDAV/2021/EC/May-1010

15.05.2021

Dear Parent

It has always been our endeavour to create a robust academic pedagogy to help our students face the future confidently and cheerfully. After the happy Interactive Sessions with class teachers and subject teachers, followed by scheduled content delivery classes, students enjoyed the grade specific Joyful Learning Hours. It is now time for students to reflect, introspect and self-regulate their studies.

The Summer Holidays' Homework will soon be shared with students. Kindly ensure that students adhere to a proper schedule and submit their work within the stipulated time. Students must be encouraged to prepare and maintain a proper timetable and adhere to deadlines. Students are to complete the work **between 22nd May 2021 and 9th June 2021. No classes will be held during this period. Classes will resume after summer vacation from 10th of June 2021.**

It is pertinent to mention that despite reminders, few parents have not yet cleared their dues for the month of April 2021. A humble request that all dues for the months of **April 2021 and May 2021 are to be cleared by 20th of May 2021.**

My prayers to the Almighty to keep all members of M L Khanna DAV, Dwarka fraternity safe and healthy.

Warm Regards

Monika Mehan
Principal
