DONATE BLOOD AND SAVE LIFE

Dear parents

Warm Greetings!

It's a matter of immense pleasure that DAV Public School Chandrasekharpur is going to celebrate its 35th Foundation day on 4 August 2023. On this memorable occasion a blood donation camp will be organized from 8.30a.m. to 12.30 p.m. in Campus-2.

It's a sincere appeal to all our esteemed parents to kindly come forward and take active participation in this life saving blood donation camp.

Our little effort can give others a second chance to live life and hence let's join our hands to make this venture successful.

Interested parents can fill up the google format in the following link and submit it by 25-07-2023 for necessary arrangement at this end.

Expecting a wholehearted cooperation.

Thank you

PRINCIPAL.
